## CÓMO USAR ESTE CATÁLOGO

### PASO 1: BUYERS GUIDE

De la página 9 a la 194 puede ubicar las aplicaciones de las siguientes partes de frenos así como los números nuevos incorporados en cada línea. Ejemplo: Chevrolet, Cavalier, 1999

El número del **cilindro maestro** es: **390277** (ver ejemplo ilustrado abajo)

El número de referencia es: **MC390277**

El número del repuesto para cilindro maestro: **114191**

La medida del cilindro maestro 390277 es: **7/8"**

| CILINDROS MAESTROS® |                             |                       |        |                                                             |             |
